SHOW RULES

1. Anyone who wishes to exhibit may do so. However, section and higher awards are limited to American Hosta Society members. Any exhibitor who is not an AHS member and wins a section or higher award will be asked to become an AHS member. If the winner declines membership, the Show Chair may either present the award to the next qualified entry or leave the award vacant.
2. Entries will be received from 3:00 P.M. to 6:00 P.M. on Friday, May 5 and from 8:00 A.M. to 9:30 A.M. on Saturday, May 6. Entries received after 9:30 A.M. will be placed in the non-competitive exhibit area. Judging will begin at 10:00 A.M. Awards will be presented to winners at the awards ceremony at 1:00 P.M. **All entries must remain in place until 2:00 P.M.** Entry tags, ribbons, and leaves may be claimed from 2:00 P.M. to 2:30 P.M. Entries remaining after 2:30 P.M. will be disposed of by the Staging Committee.
3. All registered cultivars and species shall either be listed in the current year's AHS Hosta Show Classification List or have had registration data recorded in an official publication of The American Hosta Society by the date of the show in order to be considered registered for show purposes.
4. Entry tags must be properly completed by the exhibitor. Incorrect entry tag information will be corrected by the Classification Committee, if possible, or returned to the exhibitor for correction. Entries may be disqualified by the committee, at its discretion, if misnamed or if displaying extreme damage or signs of disease. **Classification information on the entry tag should be based on the current Classification List only.** Current Classification Lists will be on hand at the show or may be found at The American Hosta Society website, www.hosta.org.
5. During the time of judging, only the Show Chair, Classification Chair, Judges Chair, Judges, and Clerks are permitted in the immediate judging area unless otherwise permitted by the Show Chair.
6. Division I - Horticulture, Division II - Container Grown Hosta, Division III - Trough/Container Gardens Arranged for Effect, and Division IV - Educational Displays will be judged by panels of three or four American Hosta Society judges, including one Master Judge per panel. The American Hosta Society Point Scoring System will be used to break a tie in judging major awards. Each panel of judges will be the final authority on each class it judges.
7. All decisions of the judges will be final.
8. For all show divisions (provided entries score the minimum points), each sub-class (or class if there are no sub-classes, or section if there are no classes), is allowed the awarding of only one blue, one red, one yellow, and one white ribbon. In Division I, Sections I - V and Section XI, each registered cultivar or species constitutes a separate name sub-class. Each seedling or sport entry in Sections VI -X is a separate sub-class and is eligible for any ribbon. For Division I, Section XII, each unregistered named cultivar constitutes a separate name sub-class within each alphabetical letter class.
9. Care will be taken, but no responsibility shall be incurred by any person, group, or organization for accidents, damages, injuries, thefts, omissions or commissions of any kind or nature from this show.
