

Georgia Hosta Society Garden Tours

Everyone is invited!

GHS Members and hosta friends are invited to tour two fabulous gardens in Cartersville, Georgia.

Saturday, June 3 9:00 am - 1:00 pm

For our garden tours this year we will return again to Cartersville, hopefully on a much cooler day than the 96 degree tour day last year! We will again visit Doris and David Bishop's fabulous Shady Rest Garden and we will tour the fairly new but already exciting garden of GHS member Mike Scott. Both gardens will be a treat so plan to attend this year.
